

Privacy Policy

Protecting your private information is our priority. This statement of Privacy applies to www.iacoatings.com/ and Innovative Aspects and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Innovative Aspects include www.iacoatings.com. The Innovative Aspects website is a Graphene Lubricants and Motor Oils site. By using the Innovative Aspects website, you consent to the data practices described in this statement.

Collection of your Personal Information: In order to better provide you with products and services offered on our Site, Innovative Aspects may collect personally identifiable information, such as your:

- First and Last Name
- Mailing Address
- E-mail Address
- Phone Number

If you purchase Innovative Aspects's products and services, we collect billing and credit information. This information is used to complete the purchase transaction.

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services available on the Site. These may include: (a) registering for an account on our Site; (b) entering a sweepstakes or contest sponsored by us or one of our partners; (c) signing up for special offers from selected third parties; (d) sending us an email message; (e) submitting your credit card or other payment information when ordering and purchasing products and services on our Site. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested from us. We also may gather additional personal or non-personal information in the future.

Use of your Personal Information: Innovative Aspects collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Innovative Aspects may also use your personally identifiable information to inform you of other products or services available from Innovative Aspects and its affiliates.

Sharing Information with Third Parties: Innovative Aspects does not sell, rent, or lease its customer lists to third parties.

Innovative Aspects may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Innovative Aspects, and they are required to maintain the confidentiality of your information.

Innovative Aspects may disclose your personal information, without notice, if required to do so by law or in good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Innovative Aspects or the Site; (b) protect and defend the rights or property of Innovative Aspects; and/or (c) act under exigent circumstances to protect the personal safety of users of Innovative Aspects or the public.

Automatically Collected Information: Information about your computer hardware and software may be automatically collected by Innovative Aspects. This information can include: your IP address; browser type, domain names, access times, and referring website addresses. This information is used for the operation of the service; to maintain quality of the service, and to provide general statistics regarding use of the Innovative Aspects website.

We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

Security of your Personal Information: Innovative Aspects secures your personal information from unauthorized access, use, or disclosure. Innovative Aspects uses the following methods for this purpose:

- SSL protocol

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryptions, such as the Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measure to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the internet which are beyond our control; and (b) security, integrity, and privacy of

any and all information and data exchanged between you and us through this Site cannot be guaranteed.

Right to Deletion: Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

- Complete the transaction for which the personal information was collected, fulfill the terms of a written warranty, or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract between you and us;
- Detect security incidents, protect against malicious, deceptive fraudulent, or illegal activity; or prosecute those responsible for that activity;
- Debug to identify and repair errors that impair existing intended functionality;
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law;
- Comply with the California Electronic Communications Privacy Act;
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent;
- Enable solely internal uses that are reasonable aligned with your expectations based on your relationships with us;
- Comply with an existing legal obligation; or
- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provide the information.
